*Title:* Application for Payment of Amounts Due Persons Who Have Died, Disappeared, or Have Been Declared Incompetent.

*OMB Expiration Date of Approval:* 04/30/2023.

*Type of Request:* Extension.

*Abstract:* Persons desiring to claim payments earned, but not yet paid to a person who has died, disappeared, or has been declared incompetent must complete form FSA-325, Application for Payment of Amounts Due Persons Who Have Died, Disappeared, or Have Been Declared Incompetent. This information required by form FSA-325 is used by FSA county office employees to document the relationship of heirs, beneficiaries, or others who claim that a payment was earned, but not yet paid to the person who died, disappeared, or who has been declared incompetent, and to determine the share and order of precedence for disbursing payments to such persons.

Information is obtained only when a person claims that they are due a payment that was earned, but not paid to a producer that has died, disappeared, or has been declared incompetent, and documentation is needed to determine if any individuals are entitled to receive such payments or disbursements. The burden hours have not changed since the last OMB approval.

For the following estimated total annual burden on respondents, the formula used to calculate the total burden hour is the estimated average time per responses multiplied by the estimated total annual responses.

*Estimate of Annual Burden:* Public reporting burden for this collection of information is

estimated to average 0.50 hours per response.

*Type of Respondents:* Producers.

*Estimated Number of Respondents:* 2,000.

*Estimated Annual Number of Responses per Respondent:* 1.

*Estimated Total Annual of Responses:* 2,000.

*Estimated Average Time per Responses:* 0.50 hours.

*Estimated Total Annual Burden on Respondents:* 1,000.

We are requesting comments on all aspects of this information collection to help us to:

- (1) Evaluate whether the collection of information is necessary for the proper performance of the functions of FSA, including whether the information will have practical utility;
- (2) Evaluate the accuracy of FSA's estimate of burden including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected;
- (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All responses to this notice, including names and addresses when provided, will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.
